

LOOKING TO LEARN
MORE ABOUT
HOMELESSNESS IN
PORTLAND?

start with an Immersion @ JOIN

*We guide learning opportunities about
inequality, injustice, and homelessness in
Portland. And **YES!** immersion is still
happening virtually.*

What does a virtual Immersion look like?

GATHER OVER ZOOM

In light of COVID-19, all JOIN immersions will occur virtually over Zoom. This is an opportunity to keep immersion participants safe and to recognize the particular vulnerability of many folks experiencing houselessness in this pandemic.

ENTER THE STORY

Our immersions will begin with an exploration of the causes and barriers associated with homelessness. Participants will engage in various activities to learn about the roots of poverty and challenge harmful stereotypes.

MEET THE PEOPLE

Participants will have the opportunity to hear the stories of folks with lived experiences of homelessness. Whether live or pre-recorded, the immersions aim to center the voices of the houseless folks in our community.

REFLECT AND GO FORTH

Our immersions conclude with space for written and shared reflection, allowing participants to consider how to integrate the experience into their lives.

All Immersion experiences have their own level of financial contribution from the participants. Please contact immersion@joinpdx.org for more info
