Consolidated Audited Financial Statements

For the Year Ended December 31, 2019

MCDONALD JACOBS

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
JOIN

We have audited the accompanying consolidated financial statements of JOIN (a nonprofit corporation), which comprise the consolidated statement of financial position as of December 31, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of JOIN as of December 31, 2019, and changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited JOIN's 2018 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated March 20, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

1. DESCRIPTION OF ORGANIZATION

JOIN (or the Organization) was incorporated in 1992 in Oregon as a nonprofit organization that supports the efforts of homeless individuals and families to transition out of homelessness into permanent housing and supports housing stabilization by providing critical supportive services after transition from homelessness. Support received consists primarily of contributions and government grants. Program services include providing basic services to homeless individuals and families, placement and retention services to transition people from homelessness to stable housing, and experiential learning and service opportunities.

Halsey Center is a nonprofit subsidiary with the primary purpose of maintaining real property for the benefit of JOIN.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Net assets and all balances and transactions are presented based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- *Net Assets With Donor Restrictions* - Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Principles of Consolidation

The consolidated financial statements include the accounts of JOIN and the Halsey Center. All inter-organization transactions and balances have been eliminated.

Cash and Cash Equivalents

For purposes of the consolidated statement of cash flows, the Organization considers all highly liquid investments available for current use with maturities of three months or less at the time of purchase to be cash equivalents. Included in cash and equivalents at December 31, 2019 is approximately \$50,000 restricted for a maintenance reserve (approximately \$41,000 at December 31, 2018)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Accounts Receivable

Accounts receivable are reported at the amount management expects to collect on balances outstanding at year-end. Based on an assessment of the credit history with those having outstanding balances and current relationships with them, management has concluded that realization losses on balances outstanding at year-end will be immaterial.

Property and Equipment

Acquisitions of property and equipment over \$5,000 are capitalized. Property and equipment purchased are recorded at cost and donated assets are reflected as contributions at their estimated fair values on the date received.

Depreciation

Depreciation of property and equipment is calculated using the straight-line method over the estimated useful lives of the assets which range from 3 to 39 years.

Fiscal Sponsorships

At times, the Organization supports other nonprofits with whom it shares a charitable mission. Under the terms of the fiscal sponsorship agreements, the Organization is granted control to approve or deny any funding requests. The revenue and expenses of the fiscal sponsorships are included within the Organization's financial statements and any remaining unspent fiscal sponsorship funds are reflected as net assets with donor restrictions.

Income Tax Status

JOIN and Halsey Center are nonprofit corporations exempt from federal and state income tax under section 501(c)(3) of the Internal Revenue Code and applicable state law. No provision for income taxes is made in the accompanying consolidated financial statements, and the Organizations have no activities subject to unrelated business income tax. The Organizations are not private foundations.

The Organization follows the provisions of FASB ASC *Topic 740 Accounting for Uncertainty in Income Taxes*. Management has evaluated the Organization's tax positions and concluded that there are no uncertain tax positions that require adjustment to the consolidated financial statements to comply with provisions of this Topic.

Revenue Recognition

Contributions: Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period the Organization is notified of the commitment. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Bequests are recorded as revenue at the time the Organization has an established right to the bequest and the proceeds are measurable. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Revenue Recognition, Continued

Management considers history with donors, and current economic and industry trends when determining the collectability of specific accounts. As a result, management determined that an allowance for doubtful accounts is not necessary.

Special Events: The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place. The portion of sponsorship revenue that relates to commensurate value the sponsor received in return is recognized when the related events are held and performance obligations are met.

Government Grants: A portion of the Organization's revenue is derived from cost-reimbursable contracts and grants, which are conditional upon certain performance requirements and/ or incurring allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Organization has been awarded cost-reimbursable grants of \$3,190,000 for the period through June 30, 2020 that have not been recognized at December 31, 2019 because qualifying expenditures have not yet been incurred. The Organization has not received any advances on these grants as of December 31, 2019.

Donated Assets, Materials and Services: Donations of property, equipment, materials and other assets are recorded as support at their estimated fair value at the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donation to a specific purpose. The Organization recognizes donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

In addition, JOIN received contributed services from a large number of volunteers. These services were provided by volunteers who contributed an estimated total of 1,030 and 2,600 hours during the years ended December 31, 2019 and 2018, respectively. The value of such services, which do not meet the criteria for recording, has not been recognized in the accompanying consolidated financial statements.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include salaries and related costs, supplies and office expense, telephone, equipment and technology, occupancy, depreciation, and interest, which are allocated on the basis of estimates of time and effort.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Change in Accounting Principles

The Organization has implemented Accounting Standards Update 2014-09, *Revenue from Contracts with Customers*. This standard establishes a new contract and control-based revenue recognition model, changes the basis for deciding when revenue is recognized over time or at a point in time, and expands disclosures about revenue. There was no significant impact to the Organization's revenue recognition in either year presented for this change in accounting principle.

The Organization also implemented Accounting Standards Update 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This standard assists organizations in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. The provisions of ASU 2018-08 were implemented applicable to both contributions received and to contributions made in the accompanying financial statements under a modified prospective basis. There was no significant impact to the Organization's revenue recognition in either year presented for this change in accounting principle.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Summarized Financial Information for 2018

The accompanying financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America (GAAP). Accordingly, such information should be read in conjunction with our audited financial statements for the year ended December 31, 2018, from which the summarized information was derived.

Subsequent Events

The Organization has evaluated all subsequent events through March 18, 2020, the date the consolidated financial statements were available to be issued.
